

Courier Boxes

COURIER BOXES PRIVATE access

Made of 14 gauge steel, courier boxes provide a convenient means of depositing and collecting mail, documents, small packages and other items. Courier boxes feature a durable powder coated finish available in three (3) contemporary colors (or primer). Each courier box user access door is equipped with a three (3) point locking mechanism with three (3) keys to protect its contents. Courier boxes can withstand severe weather conditions and are suitable when a secure environment is required. Courier boxes are ideal for colleges and schools, military bases, commercial buildings, libraries, government agencies, businesses and many other applications.
